

Your Adversary the devil

What do we know about the devil? Common knowledge tells us he is:

Intelligent, invisible, time-less, deviant, devious, patient, cruel, driven, desperate, and hates us intently.

So, an intelligent, time-less, devious being given a 6,000 year period of time can influence and effectively control every aspect of society. The fact that his plans can span several of our lifetimes gives him cover. The changes he makes to our social mores are dramatic but almost imperceptible as they occur over decades. Think of a ship that is headed east but if the navigation is off by 1 or 2 degrees the ship will be 100s of miles off course.

For instance, I remember growing up playing a game called “smear the queer”. Whoever had the football was the queer and everyone would try to tackle him. Not that I am advocating bullying people because they are different, but I certainly am not for celebrating an abnormal occurrence in nature. A lot of people have schizophrenia, but we don’t have a parade celebrating their birth defect or mainstream shows pretending that schizophrenia is normal or that it should be encouraged. That is satan at work behind the scenes in Hollywood promoting anything that the Creator forbids/abhors.

The agenda is anti-christian, anti-family, pro-abortion, etc. There cannot be more than 10-15 years left before the 6,000 years is up and satan is bound so he is really going berserk now. Hollywood broaches pedophilia, but even this “woke” culture is not that “woke”. Netflix was forced to cancel “Cuties” after subscription cancellations increased by 800%.

*[Rev 12:9 KJV] 9 And the great dragon was cast out, that old serpent, called the Devil, and Satan, **which deceiveth the whole world**: he was cast out into the earth, and his angels were cast out with him.*

The most under-appreciated verse in the world. That verse is the key to every societal ill man faces. We are being deceived through centers of control: media, education, government, entertainment, religion, healthcare, etc.

*[Eph 6:12 KJV] 12 For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against **spiritual wickedness in high [places]**.*

The meaning is twofold; spiritually and in the flesh. That is spiritual beings are influencing executives, CEOs, politicians, administrators, etc. You cannot get in these positions of power unless you are one of them.

The highest levels of industry are filled with satanists. It is well documented, take my word, research for yourself or pretend you never heard this and forget about it. I am just too old and jaded to “breast feed” at this point; if you have been in this society this long and you don’t know what is going on then maybe you are not meant to know.

*Matt 22:14 For many are **called**, but few [are] **chosen**.*

On second thought, since this is already on the website, here is a [documentary](#) showing exactly what I am talking about.

Deliberate dumbing down of America, fluoride use, 5G use, planned parenthood, gay agenda, open borders, universal basic income, victim mentality, illegitimacy, soy boys, vaccines, toxic masculinity, abortion, late term abortion, defund the police, antifa, election fraud, cancel culture. These are all satanic attacks and concepts.

*Proverbs 18:13 He that answereth a matter **before he heareth [it]**, it [is] folly and shame unto him.*

Let’s take this one because it has been around so long, and no one can dispute its existence.

Fluoride is put in the drinking water and toothpaste, but it is actually toxic waste.

How/why does something like this become an accepted practice?

“Tell a lie loud enough and long enough and people will believe it.” – Adolf Hitler

7 minute video on Fluoride

Toothpaste Warning required by FDA since 1997:

Drug Facts		Drug Facts (continued)
Active Ingredient	Purpose	pea sized amount in children under 6. Supervise children's brushing until good habits are established. Children under 2 yrs.: ask a dentist
Sodium monofluorophosphate 0.76%	Anti-Cavity Toothpaste	
Use: Helps prevent against cavities		Inactive Ingredients: Sorbitol, Silica, Water, Sodium Lauryl Sulfate, Flavor, PEG-32, Mica, Sodium Carboxy Methyl Cellulose, Saccharin, Trisodium Phosphate, FD&C Blue No. 1, Calcium Glycerophosphate
Warnings: Keep out of reach of children under 6 years of age. If you accidentally swallow more than used for brushing, get medical help or contact a Poison Control Center immediately.		
Directions: adults and children 2 yrs. & older: brush teeth thoroughly after meals or at least twice a day or use as directed by a dentist. To minimize swallowing use a -		Questions? Call 1-866-373-7374 www.drfresh.com

Does this make sense to anyone? You brush your teeth with a poison that if swallowed you should "Call a Poison Control Center" but it is OK to slosh it around in your mouth every day and have it absorbed in your blood stream. A slow subtle attack that is out in the open, but what are they doing that we do not know about?

We are being poison in more than one way. I advise taking nascent iodine to remove the toxins. [I have been taking Iodine X2 for around 10 years and my body and mind felt cleansed and sharp after about 2 weeks.](#) You must get quality ingredients not any cheap knock offs or it will not work correctly.

Governments learned from WWII that fluoride makes a population docile.
