

Notice Anything Odd?

Why the Inverted Cross?

You have the alleged, infallible leader who believes has taken over where the Messiah has left off, sitting on the throne with an obvious cross pointing downward. I think what we have is actually a moment of truth. The pope is actually letting us know whom he serves.

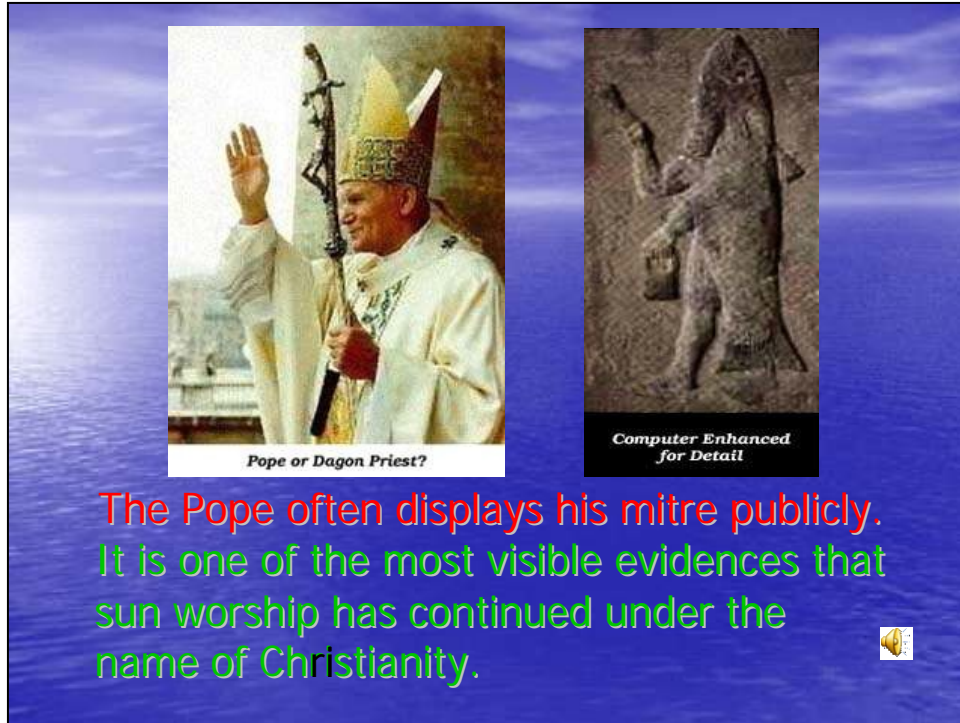

Idolatry

Do You Think Ahashua (Our Saviour)
Ever Knelt or Bowed to an Idol?

This is a blatant abomination. Where in the Scriptures does it say we are to worship Mary? Where does it say we are to make idols? This is a direct contradiction to what the Father commanded. This is why the “priests of baal” forbid the masses from reading the Scriptures!

The miter is a reference to the fish gawd. Dagon. On the right is a depiction of a Dagon priest. Notice that he is sprinkling 'holy water' just like the priests of the pagan catholic cult and few of her daughter protestant churches. The fish headdress of the priests of Dagon later became the miter (headdress) of the pagan christian bishops. Surely, one can see the real roots of the pope's hat.

Sun Worship

St. Peter's square, the symbol of Baal is within the symbol of Ishtar, and at the center is an Egyptian obelisk, all representing pagan sun worship .

He is a giant phallic symbol in the middle of a giant sun symbol. It is reminiscent of good ole egypt.

Infallible? Hello!

- Why doesn't "his infallibleness" solve all the world's problems?
- He cannot be wrong so whatever suggestion he gives must work
- What's the difference between a glorified witchdoctor and a pope? [Billions of dollars](#)
- Why didn't anyone know about all the pedophiles in the "church"

Not only did the roman church have the temerity to say the pope has taken the Messiahs place on earth. But we are supposed to believe, this fish head wearing, demon-possessed, human is infallible. There is no way you get to be the chief devil worshipper unless you have pledge an allegiance to the devil. The real power behind the pope would not allow it. Whether we like it or not, that church is honoring the devil posing as an angel of light. When you honor the pagan holidays of christmas and easter, you honor satan. Stay tuned.

Now For The Protestants

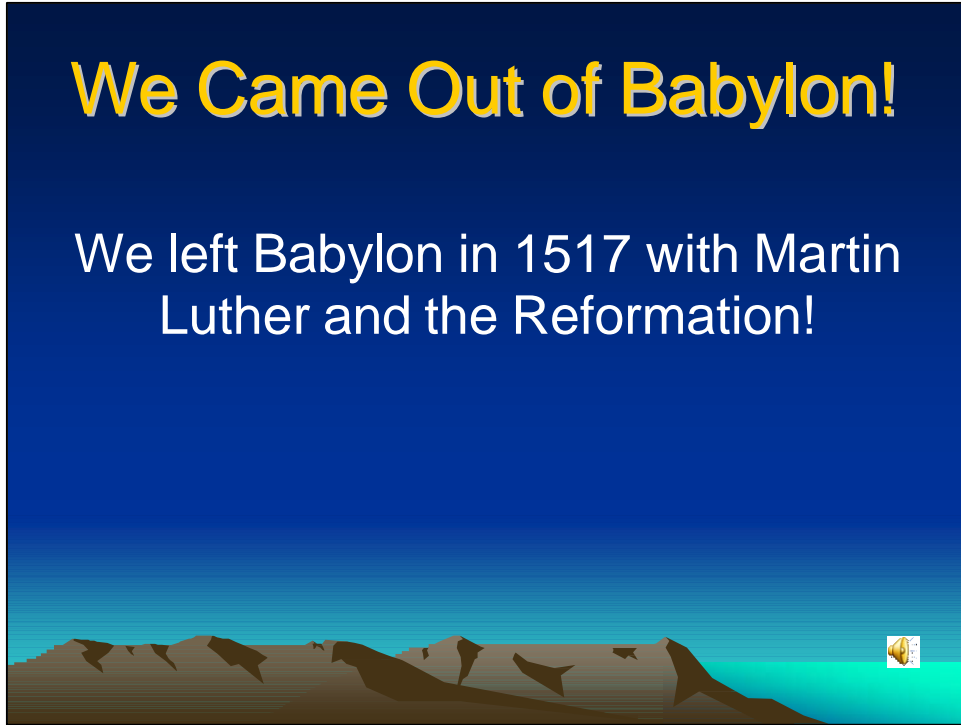

What is with the Steeples?

The protestants are not quite as deceived as the catholics, so instead of giant phallic symbols, they use medium sized phallic symbols.

We Came Out of Babylon!

We left Babylon in 1517 with Martin Luther and the Reformation!

On the surface these appears to be true. The obvious idolatry was abandoned during the reformation. The indulgences, the glorified witchdoctor, the Mary worship was left behind by the prod testant movement, but

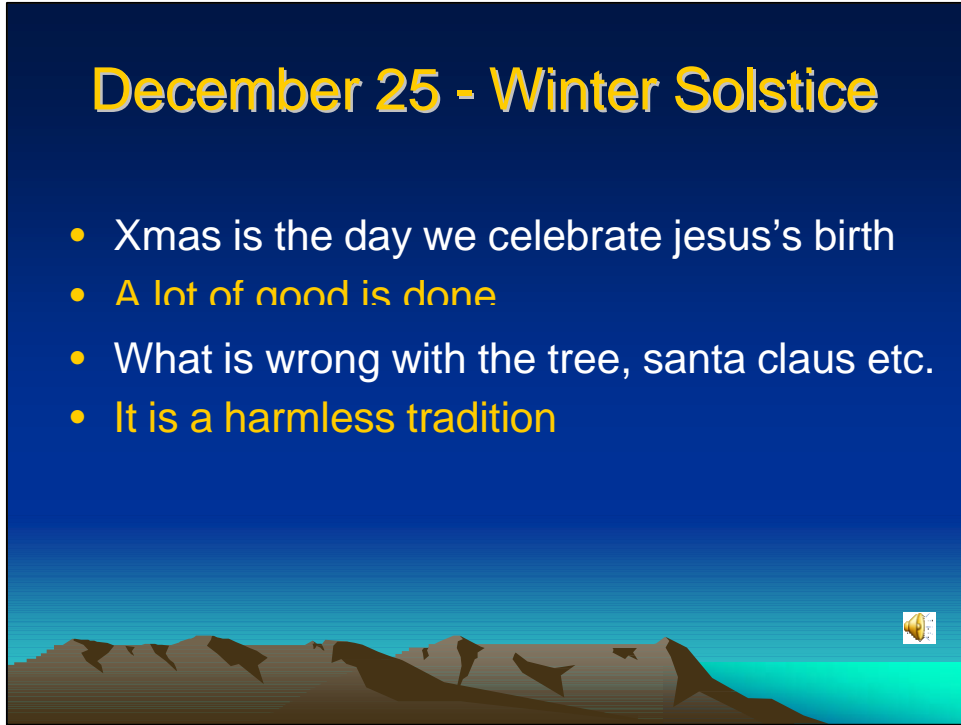

Like Mother, Like Daughter

- Acceptance of the **Trinity** doctrine
- **Sun-day** as sacred day of rest
- Adoption of **xmas and easter** as holidays

These are still the doctrines of devils. Not one of them was practiced by Ahashua, the disciples or Paul. These are all doctrines that were added to appease pagan rome. They were used to unify rome under a one-world government. This is state-sponsored religion mixed with Hebraic concepts. It is worthless in the Fathers eyes. It is like making a golden calf, and then telling the Father. This is in honor of you. The tragedy is that you are actually honoring satan, as the hidden, unknown deity.

December 25 - Winter Solstice

- Xmas is the day we celebrate jesus's birth
- A lot of good is done
- What is wrong with the tree, santa claus etc.
- It is a harmless tradition

December 25 is the day we have chosen to celebrate jesus birth. First of all, Hebrews do not celebrate birthdays, it is not part of the culture. The only references to birthdays in the Scriptures were for the rulers pharaoh and herod. And there were human sacrifices done on those days. Jobe had to atone for his children that had picked up that custom for the heathens. You do not keep what the Father commanded you to keep but you want to invent your own holiday that is contrary to what AHYH declared and honors zeus. The reason that you want to acknowledge jesus birth on the 12/25 is because it is the winter solstice and that when pagans celebrated zeus's victory over the long winter nights. If you study the history of xmas you will find that it was celebrated as a week long drunken orgy. And it was finally outlawed by legislation in europe. It was outlawed in america for a while also. It has gone under a makeover since the popularity of dickens christmas carol. It is a pig wearing lipstick. But a lot of good is done. Mafia hitmen take their drug money and buy orphans, so what. isaiah 64,6 states, our righteousness is as used menstrual cloth to AHYH. If you chose to rationalize and hold on to your tradition that is entirely up to you. It is just amazing to me how many times I hear people say, I love you lord or god is good. And then you completely ignore what HE told you to do and then try to justify why you are doing things HE told you not to do. Like I said it is your choice and any consequences are your responsibility also. I would spend a little more time researching the winter solstice, zeus and xmas before continuing to honor xmas. uzzah had good intentions when he touched the arc of the covenant, but his good intentions did not stop the

What Happened?

- How did “the faith” go from Ahashua’s strict observance of the Torah...
- To a glorified witchdoctor, forgiving sins, worshipping idols, granting indulgences...
- To a fast-food theology, where millions of “worldly”, “lustful” people are going to fly out of here while the others are left in tribulation.

It was not easy or quick. But it was methodical. Here are 3 verses that tell us this was going to happen.

For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.

Paul says we are fighting demons in positions of power.

And he cried mightily with a strong voice, saying, Babylon the great is fallen, is fallen, and is become the habitation of devils, and the hold of every foul spirit, and a cage of every unclean and hateful bird.

This is referring to mystery babylon, which really means hidden babylon. which is sun worship being hidden in the Hebrew faith.

This one is harder to see unless you realize the truth about christianity.

Another parable put he forth unto them, saying, The kingdom of heaven is like to a grain of mustard seed, which a man took, and sowed in his field: Which indeed is the least of all seeds: but when it is grown, it is the greatest among herbs, and becometh a tree, so that the birds of the air come and lodge in the branches thereof.

Counterfeit Messiah

- False Religion installed by Constantine murdered 50,000,000. (those who knew he was wrong)
- Rev 6:2...and he went forth conquering, and to conquer.

Here we have constantine, posing as a reformer. He is the counterfeit rider of revelation 6,2. He went out and conquered in the name of the cross, which actually a Tau. He started the killing of heretics, which resulted in at least 50,000,000 people being murdered. In the name of who. It definitely was not the Father.

- “In this symbol you shall conquer.”
- The use of the cross as a symbol was condemned by at least one church father of the 3rd century CE because of its Pagan origins.
- The Tau (cross) is purported to be the “Mark of Cain”

Tau/Cross

It is the opposite of the “Seal of AHYH”. One is received through sunday worship/ xmas/easter the other by keeping the annual Appointments with the Creator

Constantine had a vision and in the vision he was supposed to conquer in this symbol. And he did. It was a Tau or cross. Our Saviour was crucified on a tree not a cross. Just as when have mouth pieces who spin the truth today. They were also around at nicea in 325 ad

Anti-Messiah (in place of Messiah)

Daniel 7:25 "...and think to **change times and laws**"

- From the 7th day Sabbath to "sun-day"
- From keeping the Feasts to xmas/easter

Pontifex Maximus changed times and laws.

The anti-messiah, which really means instead of messiah. Shall change times and laws. Exactly what the counterfeit church has done and upheld for years. When you observe the anti-messiah holidays. You receive the mark of cain on you forehead. A Tau. Or cross, which is the mark of the beast. When you honor the Fathers festivals you receive HIS mark. Pretty simple once you see it

The Signature of AHYH

*Exodus 31:13... Verily my sabbaths ye shall keep: for it is a **SIGN between me and you throughout your generations**; that ye may know that I am AHYH that doth sanctify you.
... 16: Wherefore the children of Israel shall keep the sabbath, to observe the sabbath throughout their generations, for a perpetual covenant. 17: **It is a SIGN between me and the children of Israel for ever.**"*

The english cannot get much plainer than this. It is a sign. a mark. a stamp. That separates the sheep from the goats. That separates the set apart from the profane. truth from error. Keeping HIS Sabbaths, that includes the weekly, and 7 annual feasts. The AHYH does not change. He said these were a sign, between you and HIM. Remember how the Father reserved 7,000 that did not bow a knee to the idols. The majority were deceived.

How long is forever?

Long enough to realize that manipulative pagans deceived the world with a false religion.

Not every one that saith unto me, Lord, Lord, shall enter into the kingdom of heaven; but he that doeth the will of my Father which is in heaven. **22** Many will say to me in that day, Lord, Lord, have we not prophesied in thy name? and in thy name have cast out devils? and in thy name done many wonderful works? **23** And then will I profess unto them, I never knew you: depart from me, ye that work iniquity.

Intelligent Design or Coincidence?

Church: The word *church* comes from the old English and Germanic word *kirke*, (pronounced "keer - kay"), and which itself came from the Babylonian for the goddess *Circe* (pronounced "seer-say"). This is the word from which we get circle, circumference, circumstance, circumvent, etc. The goddess Circe was thought to be connected with the power of the sun, which is round, and thus the connection to Circe, a circle. In anglo-saxon history, the pagans worshipped the sun standing in a kirke, a circle. These pagan worshippers became known as the circle, or the kirke, then ultimately the *church*. **Yes, pagans were called the church before Christians were called the church.** Therefore, church means, at the least, *a pagan circle for worship*, and at the worst, *the worship of the goddess Circe, or the worship of the sun.*

Here is evidence that paganism was systematically instituted. Just about every word associated with christianity has a pagan origin. This is hard to rationalize away. These words were chosen specifically. It was not an accident. The devil little joke. Having christians for 2000 years calling on the names of pagan deities when they think they are being pleasing to the Father.

Intelligent Design

Amen: The Hebrew of the Old Testament reveals to us that the Scriptural Hebrew word (which means: so be it, or verily or surely) is "Amein" and not "Amen". Likewise, the Greek equivalent in the Greek NT is also pronounced: Amein. In Strong's Concordance its #543 and #281 in the Hebrew and Greek Lexicon respectively. Why has this Scriptural word "Amein" been rendered as "Amen" in these versions? Again we can see how the pagans have been made welcome, how they were appeased, by adopting the name of a pagan deity into the church. **The Egyptians had been worshipping Amen-Ra** (the great sun-deity) for more than 1,000 years BC

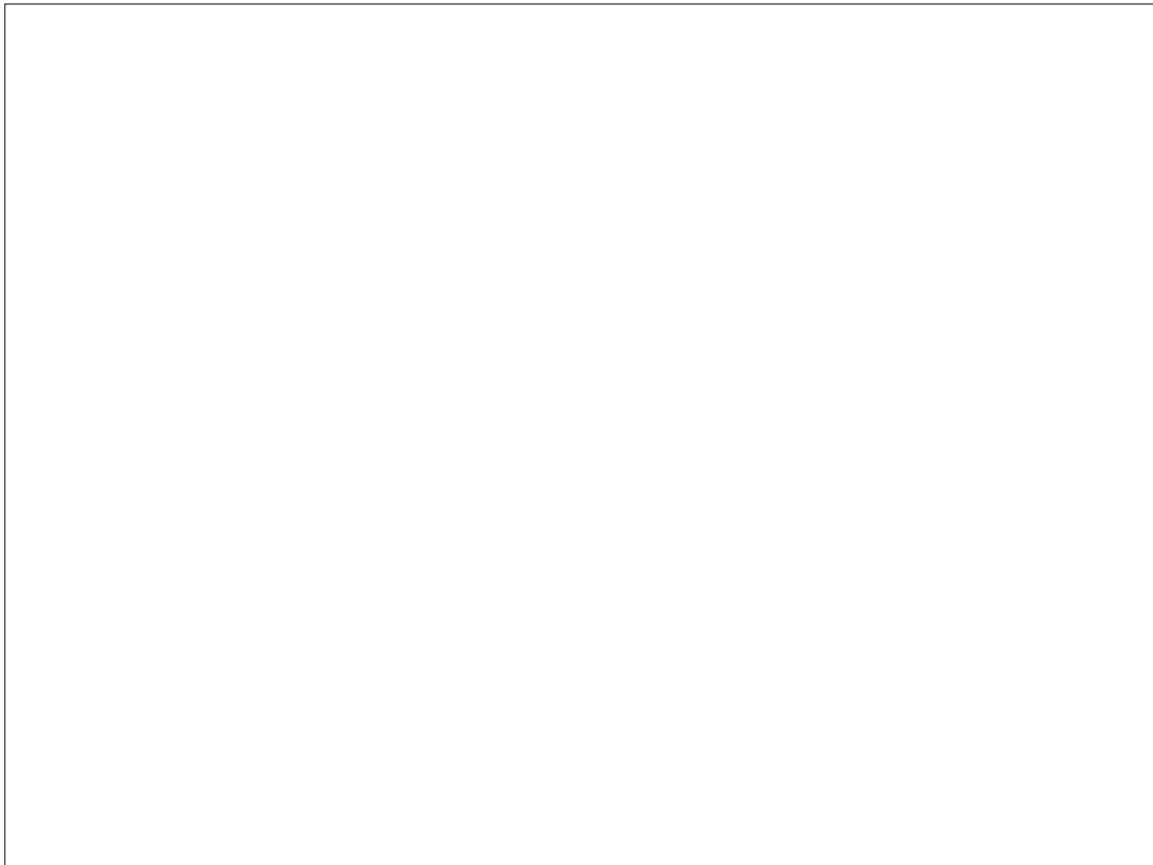

Intelligent Design

God: A prophecy for the end-time is given in Isa 65:11 wherein our Mighty One warns of the apostasy of His people, "But you are those who forsake AHYH...who prepare a table for Gad, and who furnish a drink offering for Meni." All commentators agree that Gad is a pagan deity, and so is Meni. Gad is usually interpreted as the well-known deity of "Good Luck" or "Fortune" and Meni the deity of "Destiny". This Gad is written in the Hebrew as GD, but the Massorettes afterwards vowel-pointed it, adding an "a", to give us "Gad". However, we find other references in Scripture to a similar deity, if not the same one, also spelt GD in the Hebrew text but this time vowel-pointed to read "Gawd" or "God" (Jos. 11:17, 12:7, 13:5), where we find "Baai-Gawd" or "baai-God", according to the vowel-pointed Massoretic Hebrew text.

Ahashua

Or Jesus?

Knowing what we now know

What do you think?

"...and A'Shuah, became "A'Zeus" or Je-Zeus - which became 'Jesus' in English (NOTE - the middle 's' is pronounced as a 'z')."

The original Hebrew or Jewish Name of the professing Jewish Messiah, who was accepted as such by a certain section (some 3000 souls) of Israel, at and after His Appearance in Israel, some 2000 years ago. To them He was known as **AHA'SHUAH** (abbreviated: **A'SHUAH**). In time, over the first few centuries after Messiah, His Name was gradually changed to "Je-Zeus Khristos" by the pagan masses who converted and joined the originally Jewish Messianic Sect. Out of this, Christianity was born, which was a mixture of originally pure Judaism, and gradually, progressive influences of pagan customs and traditions, together with a growing tide of an anti-Semitic spirit. This was greatly due to the instigation of influential leaders like Constantine the Great, who was a Zeus worshipper, and who purportedly converted to Christianity. It was also a natural process as a result of the infiltration of followers of the sun god, Zeus, into the Christian ranks. Even the name of their pagan idol 'Zeus' was applied to their new-found Jewish Messiah - and A'Shuah (the abbreviated transliteration of AHA'SHUAH), became "A'Zeus" or Je-Zeus - which became 'Jesus' in English (NOTE - the middle 's' is pronounced as a 'z'). In other languages, it took on various other forms.

AHUSHUA

'Eli'Shuah', which means "El is my Salvation"

KJV Luke 4:27 shows the change of

"Eli'Shuah" to "Eli'Zeus" ("My God is Zeus")!

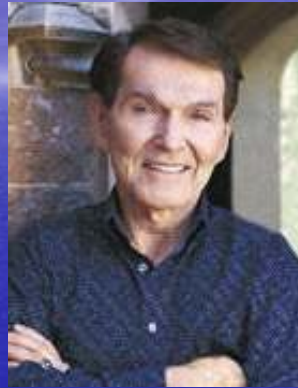

Ahashua means "AHA is Salvation"

Exactly the same way the pagan influence changed

Ahashua to "A'Zeus" - ('Jesus' - phonetically 'Jezus')

Deception is Everywhere

Masonic symbols right on the cover. **Would you let him watch your children?** Is it me or is there is something evil behind that grin?

Did you know that every movie production and release date for the Left Behind movie was done on a satanic holy days? The odds of that happening are 1 in 17,458,601,160. Do you know why the left behind series is so popular? Because the masonic leaders in all organizations wanted it to be successful. They use the press and media and churches and television to hype a satanic lie, which keeps an already apathetic body pacified. Everyone thinks they are going to float out of here and leave the Jews and heathens to go through the tribulation. Institutionalized deception that gets repeated by pastor parrot over and over again until it has become church dogma. The pre-trib rapture is a lie and it definitely does not apply to constantine christians. You are willfully breaking HIS commandments.

In satan We Trust

The "great seal" is unequivocally a satanic symbol. **Why is it on our dollar bill?**

The all seeing eye of the pyramid is without doubt a reference to satan. Why is it on the dollar bill? Where is the outrage! In gaud we trust. Do you now see why it is important to stopping using the term gaud. The one in charge is AHYH. He inspired HIS name to be used over 7000 times in the Scriptures and the translators decided to give a non-distinct title instead of HIS name. Which gaud do you think our masonic leaders trust in?

Spiritual Wickedness In High Places

Nothing to worry about, they are all just "Texas Longhorn" fans. Any resemblance to the satanic symbol is merely coincidence, over and over again. We can still trust them. I am sure they have our best interests at heart.

To the uninitiated, it is just a trendy symbol. Something to do. But to those who know. They are letting the other devil worshippers know just who is in charge. It is an in your face acknowledgment, that the sheep, are being led to the slaughter. And they do not have a clue. They believe whatever our talking heads tell them. The satanists are in every societal organization. Politics, religion, corporate america, education, all media. Do you really want to trust your eternity to any high profile organization? It is a cabal of twisted, power hungry, egotists, controlling every aspect of human life. And we pretend it does not exist or believe we will fly out of here so that it does not matter. Remember these are just the symbols that they are willing to flash in public, no telling what they actually do behind closed doors.

State-Sponsored Prostitution

- Can your pastor legally tell you not to vote for George Bush because he is a bisexual, skull and bones, satanist, who let 911 happen, who is purposely bankrupting this country, who stole two elections, etc.? No he cannot, if he wants to keep his IRS "non-profit" status.
- In my book, that makes him a WHORE that sold his integrity for "mammon".

Suppose AHYH revealed to your pastor that, George W. Bush was a practicing satanist posing as a christian. But your pastor does not tell you because it would jeopardize his "non-profit" status. What does that make your pastor? Did you know that 80 to 90 percent of baptist and methodist ministers belong to masonic lodges? Anything for growth.

Woe be to the shepherds of Israel that do feed themselves! should not the shepherds feed the flocks?

As I live, saith AHYH ELOAH, surely because my flock became a prey, and my flock became meat to every beast of the field, because there was no shepherd, neither did my shepherds search for my flock, but the shepherds fed themselves, and fed not my flock;

Take Heed

^{1Tim 4} Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils;

^{Jude 1:3} ...ye should earnestly contend for the faith which was once delivered unto the saints. For there are certain men crept in unawares, who were before of old ordained to this condemnation, ungodly men, turning the grace of our God into lasciviousness (Torah-less-ness),

This says it all. You must be able to see this. First Timothy 1 says, In the last days. In other word, now. People will depart from the original, Torah observant faith that Ahashua practiced. It is being referred to here as, “the faith”. And they will be following the doctrines of demons. There it is in plain english. Same thing with Jude. Except the Spirit leaves no doubt about what happens. Jude says, turning the concept of grace. Into a concept of lasciviousness. Which means with out restraint or law, in other words without Torah. What am I missing? Can you come up with any other explanation? Wait. There is more.

Again Paul Warns "Take Heed"

Acts 20 **26** Wherefore I take you to record this day, that I am pure from the blood of all men. **27** For I have not shunned to declare unto you all the counsel of AHYH. **28** Take heed therefore unto yourselves, and to all the flock, over the which the Set-Apart Spirit hath made you overseers, to feed the elect of AHYH, which he hath purchased with his own blood. **29** For I know this, that after my departing shall grievous wolves enter in among you, not sparing the flock. **30** Also of your own selves shall men arise, speaking perverse things, to draw away disciples after them. **31** Therefore watch, and remember, that by the space of three years I ceased not to warn every one night and day with tears.

This is a prophecy. Paul knows that this gentile assembly he started will depart from the faith. Notice that Paul wants to set the record straight. He lets everyone know he told them the whole Word of AHYH. He wants it known that on Judgment Day, he is not responsible for what happens to them. Because as a watchman he did his part. He states that he pleaded with them for 3 years to watch and make sure they do not depart from the faith. The grievous wolves are the same ones Messiah talked about in the sermon on the mount. It is leadership. Spiritual wickedness in high places, have hi-jacked the faith and made it the wide road that leads to destruction. They have twisted the Scriptures to perpetuate a lie. At some level, all religious organizations have satanists in control. Is it possible for so many pedophiles to be in the clergy unnoticed? Is it possible for unscriptural doctrines to go unchallenged for centuries? Is it possible for leadership not to have known that the early church kept observing the annual feasts? Is it possible for them not to have known the origins of their religious words? Somewhere in every organization someone knew what was going on.

Workers of Iniquity

Matthew 7 **21** Not every one that saith unto me, Master, Master, shall enter into the kingdom of heaven; but he that doeth the will of my Father which is in heaven. **22** Many will say to me in that day, Master, Master, have we not prophesied in thy name? and in thy name have cast out devils? and in thy name done many wonderful works? **23** And then will I profess unto them, **I never knew you: depart from me, ye that work iniquity.**

I am very grateful to AHYH for this verse. Because it is the one that let me know something was wrong. How could this people be deceived? They thought they knew who He was. They were calling him. They did good works in his name. They prophesized in his name. But he told them to depart and go where there is weeping and gnashing of teeth. The verse also says that this will happen to many, not a few. How could He not know them? I believe the key is in the word iniquity.

What is Iniquity?

Iniquity in the Greek is Strong's 458 *anomia*, whose root is *nomos* with the prefix 'a' (which means 'non' or 'without'). The root word *nomos* is Strong's 3551 which is usually translated as "law". By cross-referencing with the Septuagint (Greek translation of the Hebrew scriptures) Jeremiah 31:33 and Hebrews 8:10 the word translated as "law" in English is "*nomos*" in Greek and "**Torah**" in Hebrew. **Therefore the workers of iniquity are those that are "without Torah", "non-Torah", "do not observe Torah".**

Knowing what we already know . This should be fairly easy to grasp. The word translated as law, in greek is nomos. The word translated for law in the greek translation of the early scriptures is Torah. Therefore, nomos and Torah are equivalent concepts in greek and Hebrew respectively. The word for iniquity in the greek is nomos with the prefix, "a", in front. Which means "non" or "without". Therefore translating the Hebrew concept of iniquity means without Torah, outside of Torah. So those that work iniquity do not observe Torah. That is why He does not know them. They are not following the Word, which is Torah. The spiritual implications are the Word/Torah became flesh and dwelt among us. If you do not become one or intimate with the Living Word. He does not know you. Ahashua did the Will of His Father. Which is literally the Torah. If you are not following the letter and spirit of Torah, you are not following Him and He does not knew you. You are not one with Him. Two can not walk together unless they be agreed. The two become one, when they agree and there is intimate knowledge. These people were following a seducing spirit. Not the Living Word

I sit a queen, I am no widow

2 Thess 2:11 And for this cause **AHYH** shall send them **strong delusion**, that they should believe a lie: **12** That they all might be damned who believed not the truth, but had pleasure in **unrighteousness**.

Everyone is so sure that christianity has all the answers. The scriptures say, let him that thinketh he standeth **take heed lest** he fall. But that does not apply to christians. The book of revelation talks about the “church” of laodicea. They do not know that they are wretched, and miserable, and poor, and blind, and naked:. They say I am a queen, I am no widow. And ignore the gaping holes in their theology.

What is Righteousness?

- All scripture is given by **inspiration** of God, and is profitable for doctrine, for reproof, for correction, for **instruction in righteousness**:
- The only Scripture available in that period was the Tanak ("old testament"). There was no "new" anything.

first john 2-7 states, I write no new commandment unto you, but an old commandment which ye had from the beginning. The old commandment is the word which ye have heard from the beginning. The word they heard in the beginning was the Torah.

No Respector of Persons

Acts 10 34...of a truth I perceive that **AHYH is no respector of persons**: 35 But in every nation he that feareth him, and **worketh righteousness**, is accepted with him.

Our Father does not care who you are, but rather what you do. HE says and anyone who respects ME and follows my Torah is accepted. This is exactly what HE told them when they came out of egypt. There was a mixed-multitude that came out. Not just Israelites and anyone that followed the customs was included. AHYH does not change.

Matthew 5:17-18

Think not that I am come to destroy the law, or the prophets: **I am not come to destroy**, but to fulfil. For verily I say unto you, Till heaven and earth pass, one jot or one tittle **shall in no wise pass from the law**, till all be fulfilled.

What does, think not, mean. It means do not think for one minute that I came to abolish, do away with, or destroy the Torah. The phrase, destroy and fulfil, is a Hebrew idiom. It is like saying, as american as apple pie. Or uncle sam wants you. You are not going to understand it unless you are familiar with the culture. When someone misinterpreted Torah, they destroyed it. When someone correctly, interpreted Torah, they fulfilled it. Drum roll please. Ahashua came to correctly interpret the Torah, which the rabbis had been misapplying for centuries. Read the rest of the sermon on the mount. He explains the full meaning behind the 10 commandments. He can to re-establish the correct way to follow Torah. It is that simple. Look at the rest of matthew 5. Whosoever therefore shall break one of these least commandments, shall be called least. spin doctors have twisted the scriptures. It right in front of you. Nothing is abolished!

Teshuva-Repent

"Let the wicked one leave his way and the sinful man his thoughts; let him return to AHYH and He will show him mercy; [return] to AHYH for He is abundantly forgiving." Isaiah 55:7

The word *teshuva* means return. If a person violates one of AHYH's commandments (*mitzvos*), he is required to "return" to AHYH. *Teshuva* consists of three basic steps:

1. Admitting your sin to AHYH. This is a private matter.
2. Feeling regret that you sinned.
3. Making a commitment not to repeat the sin.

If we confess our sins, HE is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness. I John 1:9

AHYH Will Not Be Mocked

For if we sin wilfully after that we have received the knowledge of the truth, there remaineth no more sacrifice for sins, Hebrews 10:26

So what do I do? Teshuva which means to return. It is were we get the concept of repentance from. Confess your sin and return to AHYH by following HIS commandments . Ahashua said "For my yoke is easy, and my burden is light." And it is the truth, the theologians are the liars or extremely ignorant

My Burden is Light

ORAL LAW was a burden, not the written Torah

Summary of Written Torah:

- 10 Commandments
- 7 Festivals
- No more pagan holidays
- Dietary Rules
- Most not applicable today

Have you ever looked at the 613 commandments that make up the written Torah? [Click Here](#)

When you hear or think of the law , you think of bondage. That is because there is more than one type of law referred to by the word law. There is the oral law, written law, law from custom, law by decree. The burden that Paul referred to was the oral law. The oral law had evolved over centuries into a burden. The rabbis had added 1500 rules just on how to keep the Sabbath. They made it a burden. Ahashua came to remove the burden of the oral law. And restore the common sense of the written Torah. Like it or not it we want to be included. We must be grafted into this olive tree. Not the other way around. The Torah will be strictly observed during the Millennium. And if we want to be a part of it, we better learn to walk in it now.

A recurrent theme throughout the Scriptures is that only a remnant are spared. Ezekiel 9.

And AHYH said unto him, Go through the midst of the city, through the midst of Jerusalem, and set a mark upon the foreheads of the men that sigh and that cry for all the abominations that be done in the midst thereof.

5 And to the others he said in mine hearing, Go ye after him through the city, and smite: let not your eye spare, neither have ye pity: **6** Slay utterly old and young, both maids, and little children, and women: but come not near any man upon whom is the mark; and begin at my sanctuary. Then they began at the ancient men which were before the house. **7** And he said unto them, Defile the house, and fill the courts with the slain: go ye forth. And they went forth, and slew in the city. **8** And it came to pass, while they were slaying them, and I was left, that I fell upon my face, and cried, and said, Ah AHYH! wilt thou destroy all the residue of Israel in thy pouring out of thy fury upon Jerusalem?

9 Then said he unto me, The iniquity of the house of Israel and Judah is exceeding great, and the land is full of blood, and the city full of perverseness: for they say, AHYH hath forsaken the earth, and AHYH seeth not. **10** And as for me also, mine eye shall not spare, neither will I have pity, but I will recompense their way upon their head. **11** And, behold, the man clothed with linen, which had the inkhorn by his side, reported the matter, saying, I have done as thou hast commanded me.
